Module 1

What is Liturgy? Applying the Principles

Term 3 (6/9/2018)

The first Module in Phase 1 will challenge some current misunderstandings about what is classified as liturgy in our schools, and provide you with clear direction on developing correct liturgical practises. You will leave the day knowing how to apply the liturgical principles which guide good liturgy and there will be various opportunities to engage in discussions particular to Primary and Secondary. This includes sharing solutions to the challenges that RECs face in preparing liturgical and prayer celebrations within the contexts of their school. There will be a strong focus on practically applying the learnings of the day to real examples, and it will be an opportunity to provide a solid foundation for subsequent modules.

Module 2

Understanding and Preparing a Mass

Term 4 (19/11/2018)

Module 2 will explore in detail the part of the Mass in ways that perhaps have not been considered. From the significance of the Collect to the meaning of the Concluding Rites, you will be able to use newly gained understanding with students and staff in your school context to help increase their knowledge and understanding leading to formation. In responding particularly to the requests of new RECs, how to prepare Mass will be addressed in a practical workshop.

Module 3

Using the Official Liturgical Books

Term 1 2019 (6/3/2019)

Using the official liturgical books is an area that perhaps many have not had the opportunity to examine in depth, yet they are essential in the preparation of good liturgy with our students. This module will give you an opportunity to engage with the General Instruction of the Roman Missal and Lectionary for Masses with Children among others. You will leave the day having a familiar understanding of how to use these books (in hard copy and electronically) to prepare liturgy in your school.

Module 4

Preparing Prayer and Adoration

Term 2 2019 (1/5/2019)

In responding to the overwhelming request by existing and new RECs, this module will explore ways of preparing prayer experiences for students and staff and include a workshop for preparing Eucharistic Adoration/Benediction particular to Primary and Secondary. The workshop preparation will lead into an opportunity to participate in an Adoration Service which has been prepared by participants.
